**FREE
FILM GRAIN
OVERLAYS**

VIDEO ASSETS

Getting Started

Getting Started

When you download the elements, after you've unzipped the contents of the folder you will find 5 different film grain elements. Each element has different strengths. Experiment with different blending modes and opacities to get the look you want.

License

You may not sell, transfer, share, give away or sublease the film grain overlays to any other party. You may not resell the film grain overlays by themselves or as part of a package except as embodied with your own project. You may not resell the film grain overlays (or otherwise make it available) within a downloadable template where someone would be able to download the files as a separate file, such as in ecard or website templates. You may not resell the film grain overlays (or otherwise make it available) individually or as part of any competing product such as third-party plugins or presets. You may not resell the film grain overlays (or otherwise make it available) as your own product, even if it has been transformed, modified, remixed or edited in any way.
